

JULIUS

Julius Suleman is 14 years old and wants to travel the world, so he plans to become a pilot.

He is one of four children. His father drives a motorcycle taxi and his mother tailors clothes.

Julius typically scores high academically and maintained that level by being in the top 10 of his class on the Class 7 finals. When teachers are polled to identify their top performers, Julius' name typically appears.

PRISKA E.

Priska Eliaza is 14 years old and the only girl of four children, Her father is a farmer, her mother sells vegetables and sews clothes from home.

Priska has a calm and caring nature combined with a touch of good humor, the perfect combination for her desired occupation as a nurse.

She is a very good student, but without financial support, it is quite likely she may not be able to continue her education.

- Purchase a uniform (about \$30)
- Buy a year of lunches (about \$50)
- Sponsor a student for a school year (\$150 - \$1500 per year)
- Make a four-year commitment to ensure your student completes 'high school'.

FABIOLA

Fabiola Kwaslema is 15 years old. She wants to be a doctor so she can help sick people.

Her favorite subjects are Math, Science and History. She likes to play soccer.

Fabiola is one of 10 children.

Her father is a farmer, her mother is a homemaker. Fabiola hopes someone will sponsor her so that she can attend a boarding school to complete her secondary education.

JOSEPHATI

Josephati Elisanti (14) is always on the teachers' list of best students.

Josephati's favorite subject is English and his dreams include being a pilot and traveling to America.

His is one of four children. His father is a motorcycle taxi driver. His mother is a tailor. Both occupations have inconsistent incomes. As such, he will need outside support to complete his education.
